

**I am**

**ICW**

**ICW is the only global for and by network of women living with HIV. ICW networks are on every continent, and are inclusive of all self-identifying women living with HIV.**

**ICW envisions a world where all women living with HIV live free of gender oppression, realizing and claiming our sexual, reproductive, legal, social, economic and health rights.**

**We exist to lead efforts towards securing and improving the quality of life for women living with HIV. We do this by mobilizing, organizing, advocating, mentoring and raising consciousness on the issues that directly impact our lives.**

**ICW are proud women who are active and mobilized members of all communities. United, We are ICW!**
